Hancock County Bike Trail Location Selection Meeting

HANCOCK COUNTY— All residents interested in bike trails in Hancock County are encouraged to attend the meeting on Monday March 20th, 7:00 pm at the Hancock County Courthouse, LED Center. The main objective of the meeting is to select the best locations for bike trails in the county. Two of the prime locations, the UP Railroad and old Highway 18, are unavailable for bikes trails. The group has a new tool that is devised to find and rate the best locations for bike trails. From the information collected, the group can create a list, prioritize and select target areas and start working on building a bike trail system in the area. .

Bike rides that will be run in conjunction with area city celebrations such as Duesey Days and Hobo Days will also be an item of discussion.
